The National HEP/CAMP Association Conference 2023
“Empowering Bright Minds to Succeed”

President's Message

Dear HEP/CAMP Family,

Welcome to the 2023 National HEP CAMP Conference! On behalf of our Association Board and Conference Planning Committee, thank you for joining us in beautiful San Diego, CA. You will notice our conference theme is “Empowering Bright Minds to Succeed.” This theme speaks to the undeniable strength, will, and potential that lay within each of our migrant students. As a former migrant student in the onion and beet fields of Eastern Oregon, I appreciated the supportive mentors, tutoring services, and extra-curriculars that rounded out my college experience. Likewise, through our HEP and CAMP programs across the country, I believe our students continue to appreciate the high-quality services our programs provide.

Not only do our students appreciate our instruction and advising among the many other support services, they greatly benefit from participating in our programs. They earn their GEDs! They graduate from college! Our students get a real chance at building a good future. Every single HEP and CAMP professional at this conference, including our colleagues back home, positively impact the lives of our students.

For new staff members to HEP and CAMP programs, welcome to the family. For veteran staff members, thank you for your continued service and leadership. Together with 100+ HEP and CAMP programs strong, our mission is clear -- **to serve, educate, and empower our migrant students**. Keep this mission in mind as you experience this week's conference and look for ways to connect to our purpose. As federal grant programs, we are entrusted with the incredible opportunity to actually change lives. Through this week's conference, you will gain new learning, skills, and resources to boost the success of your students and programs.

I hope you enjoy the many conference activities. The Conference Planning Committee did a terrific job organizing this experience. In addition, the Office of Migrant Education continues their great support of our annual conference. Some words of encouragement for your conference participation: Meet new friends and colleagues, hand out business cards, network each day, ask questions, be curious and invite new ideas into your programs. Dig in and make the most of your National HEP/CAMP Conference experience.

Sincerely,

Greg Jr. Contreras
President, National HEP/CAMP Association

About

Between four to six current CAMP students or HEP graduates in their first year at a post-secondary institution are selected to participate in the National HEP/CAMP Association Internship Program.

The High School Equivalency Program (HEP) and the College Assistance Migrant Program (CAMP) have existed since 1967 and 1972, respectively.

HEP and CAMP are educational programs which serve students from migrant or seasonal farm-worker families. HEP helps students who have dropped out of high school get their High School Equivalency Credential, and serves more than 6,000 students annually. CAMP assists students in their first year of college with academic, personal, and financial support. CAMP serves approximately 2,400 migrant participants annually. Overall, nearly three-quarters of all CAMP students graduate with baccalaureate degrees.

These two programs, which have achieved stunning success rates since their inception, are funded through grants from the U.S. Department of Education, Office of Migrant Education and are administered by universities, colleges and non-profit organizations nationwide.

The National HEP/CAMP Association is an organization whose membership is comprised of universities, colleges and non-profit organizations that administer a High School Equivalency Program (HEP) and/or a College Assistance Migrant Program (CAMP). The Association's membership is committed to improving the quality and effectiveness of the national HEP and CAMP program, all HEP and CAMP projects, and to disseminating information about HEP and CAMP.

HEPCAMP DC Internship

The National HEP/CAMP Association sponsors interns each year who are placed with various offices in Washington DC. This is a once-in-a-lifetime experience for CAMP students.

This year four to six current CAMP students or HEP graduates in their first year at a post-secondary institution will be selected to participate in the National HEP/CAMP Association Internship Program. The participants will travel to Washington, D.C. to take part in a ten-week internship. Expected internship placements include congressional offices, the Office of Migrant Education, United Farm Workers, United States Department of Agriculture, and the Congressional Hispanic Leadership Institute (CHLI).

National HEP/CAMP Association Scholarship

National HEP/CAMP Association Scholarship awards are for students who have earned an HSE (high school equivalency) through a HEP program AND who are enrolled in an institution of higher education (IHE) or other post-secondary education or training program.

Student Emergency Fund (SEF)

The National HEP/CAMP Association recognizes we are currently in unprecedented and challenging times and our students are faced with a multitude of unexpected issues.

Students experiencing financial need due to an emergency may be eligible to receive one-time, per calendar year, emergency funding of up to \$599.00.

Eligibility

Eligible students for SEF funds must be either currently served in HEP/CAMP or recent alumni who are completing their undergraduate program.

For the purposes of this fund, an emergency is defined as a financial hardship within the academic school year, such as a medical issue, accident, child care, or emergency such as fire, flood, unexpected death, victim of a crime etc.

Funds will not be granted to students who request funding to cover tuition, fees or books, non-essential utilities, debt/owed payments.

Support SEF at the silent action!

Conference Evaluation

Student Champions—

What is a student champion?

The Student Champion Awards are annual awards presented at the National HEP/CAMP Conference to recognize students who demonstrate outstanding dedication and performance during their participation in The High School Equivalency Program and/or The College Assistance Migrant Program.

Each student is nominated by staff members who have observed their exceptional skills and dedication to their academics.

Past Recipients:

2019 Guadalupe Felix Zamora (HEP) - CSU Bakersfield
 2019 Diana Jimenez (CAMP) - Portland CC
 2020 Juana Pedro Francisco (CAMP) - Adams State
 2020 Avelardo Vargas (CAMP) - University of Idaho
 2020 Elizabeth Abarca (HEP) - ABAC
 2021 Reyna Martinez (HEP) - ABAC
 2021 Sam Gonzalez (CAMP) - Portland CC
 2022 Elisa Gomez (HEP) - Treasure Valley CC
 2022 Ramiro Mendieta (CAMP) - New Mexico State

2023 Nominees

Congratulations to each and every one of the Student Champion Nominees! It takes hard work, dedication and "that special something" to be nominated.

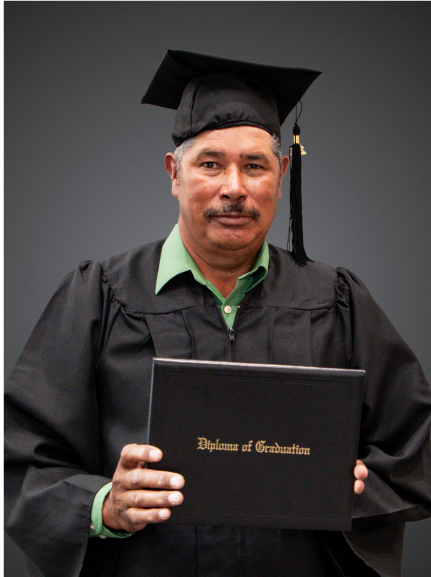

HEP

- Estela Vejar, El Paso Community College
- Joel Pelayo, Idaho State University
- Jose Miguel Alvarez Brenes, Michigan State University

HEP CHAMPION

Joel Pelayo

Joel Pelayo was born in Jalisco and came to the U.S. in 1983, at the age of 15. Since then, he has always lived in the Fort Hall area of Idaho. At 15, his first job was moving irrigation pipe. He is in his fifties now and still works in agricultural jobs. Joel has been married twice and is a beloved father.

He finished his GED in March 2023 and proudly walked in the HEP graduation ceremony in June, with his family in attendance. It took him three years to graduate. Although the process was often difficult, he persisted with HEP because he wanted to accomplish what he was unable to do in Mexico and prove to himself that he could do it. When he is not working, Joel enjoys fishing, camping, and traveling to new places. He hopes to transition to electrical work in the future.

CAMP CHAMPION

Briseidy Chavira

I am studying Aviation and Aerospace Science with a concentration in becoming a professional flight officer. I am currently working towards my private pilot license and love every second of it. My goal is to get a degree so I can become part of the small percentage of female pilots and hopefully inspire more girls to join the field.

My favorite memories this year are the trips we got to take and celebrating Valentine's Day with the CAMP scholars and mentors. My favorite memory of flying was getting to experience watching sunsets from a plane. CAMP has been so supportive and motivating and I would not have been able to be so successful without this program. One day my goal is to walk down an airport and show little girls that a woman can be and deserves to be in the cockpit.

Discovering and Maximizing Your Leadership Style

Monday, October 30th, 2023 - 9:00 AM-12:00 PM | Sierra 5

Dr. Dwayne Cantrell
Associate Vice President of Enrollment
Management and Chief Enrollment Officer
at California State University, Bakersfield

CALIFORNIA STATE UNIVERSITY
BAKERSFIELD™

Workshop Description:

Everyone has a unique identity, personality and style. Most people also have ideas of what characteristics they desire in their leaders. Whether you are a current leader or an aspiring leader, this workshop will serve as a thought-provoking and introspective space for you to explore your own leadership style, and consider strategies to maximize your leadership in your work and life. At the conclusion of this session, you will have a clear sense of the type of leader you desire to be, and confidence in the positive impact you can have on those around you.

Dr. Dwayne Cantrell is the Associate Vice President of Enrollment Management and Chief Enrollment Officer at California State University, Bakersfield (CSUB). The Division of Enrollment consists of 14 departments which attract, admit, enroll, retain, and graduate students and is committed to providing access and support for student success. For nearly 30 years, Dr. Cantrell has held a variety of leadership roles within both K-12 and higher educational institutions, including three of the four systems of higher education in California. He also worked in the corporate sector for Coca-Cola and provided consulting services for Nike and E2K (San Francisco 49ers Entertainment).

Prior to his arrival at CSUB, Dr. Cantrell served for 10 years at California State University, Northridge where he provided senior leadership and strategic direction for programs and services that supported access and student success from the point of application for admission to graduation from the campus. He also maintained an active role in teaching, publishing, and presenting on a variety of issues related to leadership, student development, team building, and personal growth. For the past 12 years, Dr. Cantrell has been an active leader and member of the Bakersfield community. He serves on the Boards of Directors on three different organizations including The Mission at Kern County (Bakersfield Rescue Mission) and serves as the Senior Pastor of Living Victory Church. He also serves as the Wellness Coach for the Bakersfield College Football team.

Dr. Cantrell holds an Ed.D. in Educational Leadership and Policy Studies from CSU Northridge, a Th.D. (Doctor of Theology) from Summit Bible College, a M.A. in Theology from Fuller Theological Seminary, and an M.A. in Education with an emphasis on counseling and student personnel from San Jose State University.

Improving Student Engagement: Practical Strategies to Learn, Interact & Communicate with Students (Part 1&2)

Monday, October 30th, 2023 - 9:00 am - 4:30 pm | Salon G-H

Ernesto Mejia

CoolSpeak

Ernesto Mejia, the proud son of Mexican immigrants, is a true example of the American dream. Diagnosed with the rare disease of Guillain-Barré Syndrome at the age of 16 that left him temporarily paralyzed, he was not supposed to be a successful student, much less a College Dean of Students.

Through his hardships, Ernesto learned to never give up on life, he now speaks to students, parents, and teachers about overcoming obstacles and never giving up on the American dream: education.

Workshop Description: This two-part workshop will address the myth that students dislike participating, sharing, or talking about their feelings. Participants will learn various activities, energizers, and icebreakers that can be implemented while having fun, creating a safe space, and encouraging fruitful dialogue. Understanding how to deliver these activities is one part of the equation. However, learning how to facilitate the dialogues that follow activities will ensure we are successful in our ability to engage students, parents, and the professionals that serve them.

Learning objectives:

1. Participants will learn different manners to learn, interact, and communicate
2. Participants will increase their repertoire of activities that can serve as dialogue starters
3. This session will allow educators to improve their overall engagement and communication skills
4. Participants will learn the basics of effective facilitation

Natasha Carrizosa

CoolSpeak

Natasha Carrizosa is a teacher, poet, writer, author, MC – master of ceremonies, keynote speaker, facilitator, and spoken word artist. She amazes her audience as she speaks about the beauty and appreciation of the diversity that lives within us all.

She is the daughter of an African-American mother and Mexican immigrant father. Her book, *Crown*, is all about being your authentic self, overcoming adversity, mindfulness, and self-care, spirituality, motherhood, teenage life, gratitude, hopes & dreams, and growing up different (roots) from bullying to self-actualization (crown).

Her love for the arts inspired the creation of Natty Roots & Rhyme, one of the most dynamic poetry open mics in the country.

Exploring HiSET: Program Overview, Best Practices, and Resources

Monday, October 30th, 2023 - 1:30 pm - 4:30 pm | Sierra 5

Tanya Haug
VP of HiSET

Tanya Guerrero Haug, Vice President, HiSET, oversees the HiSET Program supporting the 30 states and territories that have adopted the HiSET. In this role, she coordinates with the PSI HiSET Program teams, the HiSET Board, state directors and administrators, adult education providers, test centers, employers, and higher education institutions. Tanya also serves as the main point of contact for national organizations such as Coalition on Adult Basic Education (COABE) and National Association of State Directors of Adult Education (NASDAE).

Tanya's team is directly responsible for HiSET contracts and partnerships, the HiSET suite of products, and adult education outreach. She oversees the HiSET webinars and conferences to keep professional development and program updates accessible. For more than 20 years, she has demonstrated her commitment to education by the various positions she has held in the industry and by her active community service.

Griseli Avila
HiSET Regional Site Supervisor

Griseli Avila is Regional Site Supervisor for the HiSET Program in California, she works alongside the test centers to make sure they have what they need to ensure success in the classroom. Griseli received her MBA at Kennesaw State University making her the first college graduate in her family.

Before HiSET, Griseli was working with the California State Bar Association coordinating bar exams for the state. During her free time, she plays in an adult soccer league with her husband and coaches u8 girls on the weekends. In Atlanta she does volunteer at the Hispanic Alliance in Georgia and is always there to lend a helping hand.

Workshop Description: Join us for an exploration of the HiSET Program in this interactive session led by Tanya Haug, Vice President of HiSET, and Griseli Avila, HiSET Regional Site Supervisor. Gain an understanding of the program through a detailed overview and introduction. Learn about establishing and serving students as a HiSET test center. Additionally, you will have the opportunity to immerse yourself in discussion on successful best practices and uncover a wealth of valuable HiSET resources while addressing frequently asked questions.

Key Note Speakers

Guadalupe Martinez Zapata

State of Oregon Board of Education

TedxPacificUWomen Talk, and the Women of Color Community Empowerment Conference at PCC, Rock Creek. Lupita, as her mother insisted people call her, served on the Oregon State University Alumni Association Board and the Clackamas County OSU Extension Board. She is currently a director on the board for Embold Federal Credit Union, and the Chair of the Oregon State Board of Education.

Ms. Martinez obtained her bachelor's and master's degrees from Oregon State University, where she was a CAMP student, and subsequently a CAMP Academic Counselor while she worked on her master's degree.

At age 17, Trino migrated from Michoacán, México, to Washington state, the Yakima Valley, to be more precise. Apple, pears, cherry, and hop fields surround the Yakima Valley. Trino worked as an apple picker and pruner at different orchards. Trino enrolled in the HEP program offered by the University of Oregon and took ESL (English as a Second language) courses while working in the apple fields.

Inspired by the momentum, Trino continued with college courses and earned an AA at Yakima Valley College. Then, he decided to continue with higher education and enrolled at Heritage University, and in 2005 he attained a Social Worker degree.

Today, Trino is a Social Worker, author, and motivational speaker. Who promotes education as the tool of success in life. During his workshops, Trino motivates students and adults to aim high when pursuing their dreams—over 100 presentations at Universities, colleges, high schools, and National and State Migrant conferences nationwide. Trino has presented in Mexico and Colombia and traveled to Italy, Canada, and Germany.

His two books, "Cuando la noche se nos viene encima" and "El regreso del Colibri," are essential to not giving up on your dreams.

Guadalupe Martinez Zapata is one of six siblings and the daughter of farmworker parents with the highest aspirations and regard for education and civism. Guadalupe inherited this love and commitment to education and service and has made a life-long career of finding pathways of accessibility and equity for nontraditional student populations. Her firsthand experience with marginalization and being the parent of a biracial child have strengthened her advocacy for parents and students of color. Her greatest motivation, her son Diego, recently completed his baccalaureate degree in mathematics at Howard University.

Guadalupe has been a college instructor at several institutions of higher education in Oregon for over 23 years. She has served as full-time faculty in the Counseling Department at Clackamas Community College since 2000, as well as teaching Chican@/Latinx studies at Portland State University. Prior to instruction, Guadalupe worked in student services administration at Oregon State University, University of Oregon and California State University, Chico.

Guadalupe led the Oregon Leadership Institute for Latinx youth in the Clackamas Community College service district for seven years, graduating over 100 young leaders and providing peer and academic mentoring to each. She has been invited to speak and conduct trainings on issues of Latinx history, Chicana feminism, equity, and access to higher education at several local and regional conferences, including the Cesar Chavez Leadership Conference, The Student Success and Retention Conference,

2. Healthy Communication Skills and Relationships in the Hispanic/Latinx Community

Salon G-H

HEP & CAMP | Student Services

Healthy Communication Skills and Relationships in the Hispanic/Latinx Community. In the healthy communication skills and relationships in the Hispanic/Latinx community I will be sharing the information of healthy communication skills. I will also discuss concepts of relationships within the Hispanic/Latinx community, such as “familism, machismo and marianismo” and much more.

Marimar Rosa Monge

3. La prueba de razonamiento matemático: todo está en los números

Balboa 1-2

HEP | Curriculum & Instruction

Las matemáticas son el área de contenido más temida por los estudiantes. La investigación de los examinados de GED identificó brechas de habilidades importantes en matemáticas donde los estudiantes tienen dificultades. Aprenda estrategias para mejorar las habilidades básicas de los estudiantes de bajo rendimiento y continúe con estrategias de “campo de entrenamiento” para impulsar a los estudiantes hacia el éxito.

Lisa Pool-Osorio

4. Actividades y recursos para lograr el éxito académico en el programa de HEP.

Santa Fe 3-4

HEP | Curriculum & Instruction

Sharing my experience through the analysis of lesson planning, instructional time, tutoring services, and student exams, making it possible to observe and modify activities, resources, and materials that are most useful for achieving the goals.

Daniela Cardenas

5. Creating an Ecosystem of Support: Revitalizing Your Networks, Refining Your Practice

Sierra 5

HEP & CAMP | Program Management

As administrators of HEP/CAMP and TRIO programs, panelists we will share the practices and ideas we brokered over the years building connections.
